

**Huntsville Youth Orchestra Arrangement for Payment of Fees
2009-2010**

HYO is committed to providing its services, benefits and opportunities to all children, regardless of ability to pay. The HYO Board has a long-standing practice of offering flexible payment plans to accommodate its families who may not be able to pay all fees for the year at the beginning of the concert season. However, financial obligations must be met by the Winter Concert or the student will not be allowed to play. Any arrangements other than those below should be discussed with the orchestra manager or treasurer.

Please complete the following information if you wish to participate in the payment plan.
